

rDesk® IDX

Expert by Design

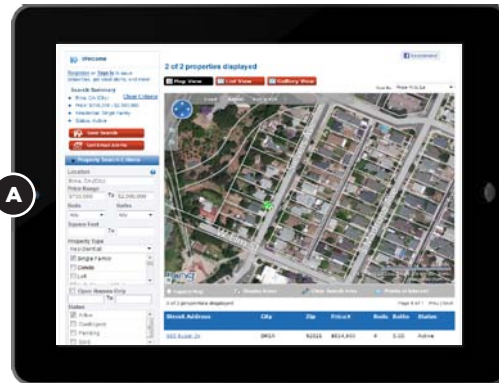

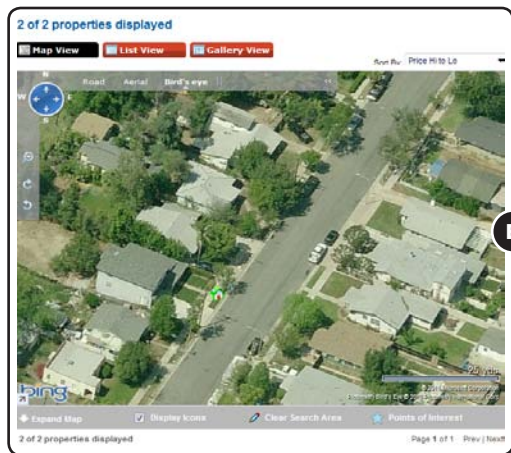

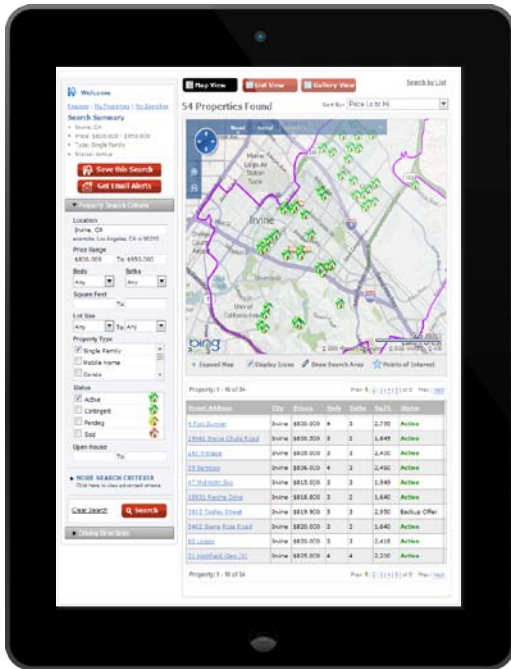

Unsurpassed IDX Search for Your Website.

rDesk IDX feeds information directly from MLSs to provide the most timely information to consumers – giving them more reasons to visit often and present themselves as prospects.

Features include:

- Interactive map search with rooftop accuracy
- Forced lead capture with visitor registration, instant email notifications, contact forms and auto-responders
- The ability to engage visitors with over 100 points of interest and WalkScores
- Driving directions with your contact info to assist your clients
- Detailed property information
- Personalized branding on all MLS listings
- Neighborhood statistics, including schools, housing, people and much more!

Your customers and prospects need the best property search. We work with over 400 MLSs to make sure you get just that.

- A rDesk IDX lets you search in Aerial View to see streets and nearby amenities.
- B Bird's Eye View feature lets you see the actual property from above.
