Let Advertisers Pay You

Display Ads on Your Real Estate Site

- Local Ads
- National Ads
- Earn Revenue
- Control Types of Advertising

Add a no-risk revenue stream to your business by leveraging your website – for more than generating leads. The Real Estate & Living Media (REALM) network gives websites in the home and real estate categories access to some of the nation's largest and most respected advertisers. REALM taps into the \$11 billion spent on advertising to online real estate consumers each year and makes it available to you. And it's free.

When you become a member of REALM, you also receive full support from a dedicated Account Manager who will assist you in creating and placing ads on the site, and provide any troubleshooting you might need. After that, just look for the monthly check from us!

“We knew within days we had made the right decision to partner with the Real Estate and Living Media Network. It was easy to activate and customize, required little internal manpower commitment and the revenue potential continues to amaze me.”
