

■ Data Services

One source for all the latest listings

Data Makes the Difference.

- Single-source data
- We make it easy

Data Aggregation

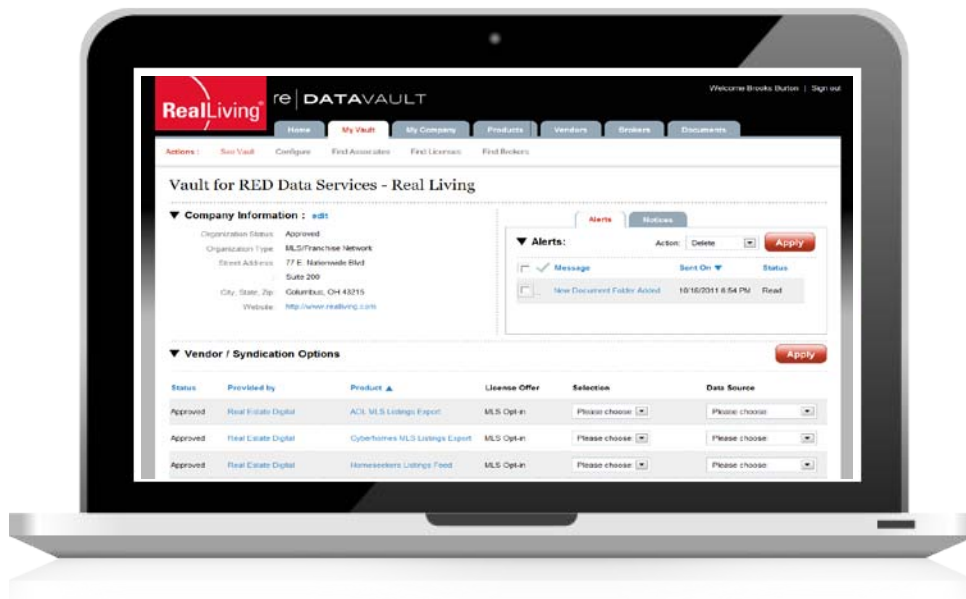

Real Estate Digital aggregates data from nearly all of the nation's major MLSs. That means millions of active listings and over 250 million images of homes are available to you:

- In a common format, with address standardization
- Via data that is updated multiple times daily, where available
- With the opportunity for a one-stop, no-hassle solution so you can aggregate several MLSs onto one site

reDataVault

Access vital national MLS data that is licensed, current, standardized and delivered in a near real-time database.

- Address standardization
- Single, national data format
- MLS rules/use-compliant
