

# ■ Neighborhood & School Reports

Give Buyers All The Details

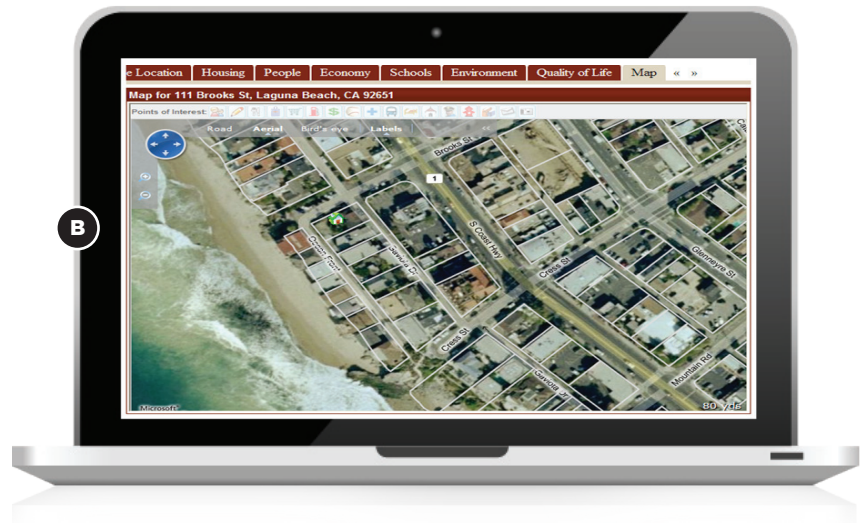

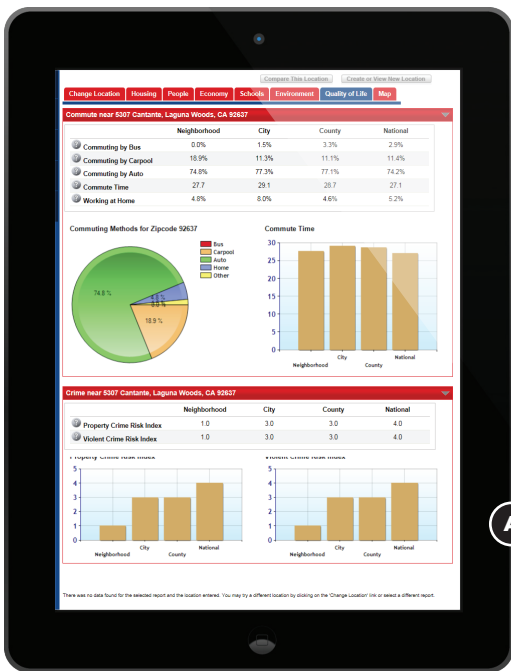

**Helps prospects research their areas of interest:**

- **Economy**
- **Housing**
- **People**
- **School**
- **Environment**

Upgrade your website with our Neighborhood & School Report data with more than 100 components of school and community information at the census-block group level. Get housing trends and statistics; people demographics; local economic information; rent vs. own; and school, environment and quality-of-life figures from all 50 states.

- **School Data:** Student-to-teacher ratios, school locations, expenditures per student and more.
- **People:** Age ranges of children, education of residents, marital statuses, plus more.
- **Housing:** Rental versus ownership information, ages of homes, values and appreciation of properties and additional data.
- **Economy:** Cost-of-living information, future job growth statistics, unemployment rates and more.
- **Environment:** Includes air-quality information, number of sunny days, average temperatures and rainfall statistics, etc.
- **Quality of Life:** Commute times, crime statistics and health data such as UV indices and other details.

All information is available via API or raw data feed that integrates into your website.

A Quality of Life report.

B Provides aerial view maps with parcel boundary lines (where available).
