

TransactionPoint®

**Powerful.
Proven.
Paperless.**

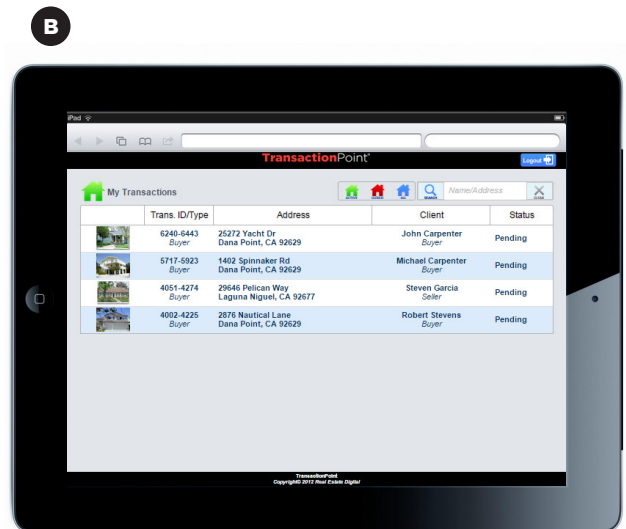

Real estate transactions are complex and require the coordination of a variety of documents, contacts, service orders and tasks to close successfully.

TransactionPoint is a powerful and highly secure platform that streamlines real estate transactions with automated workflow, document management features, vendor ordering, and a comprehensive audit trail that tracks and stores all tasks, documents, faxes and emails for compliance purposes. With the guidance and feedback of our clients, TransactionPoint is getting a new look and feel as well as improved processing and efficiency features. Take a look at the new TransactionPoint! Your company, agents and clients deserve a proven platform that has successfully processed nearly 2 million transactions and will continue to evolve just as your business does.

A Transaction coordinators have complete overview of the transaction including:

- Contacts
- Activities and Tasks
- Vendor Orders
- Documents
- Logging and messages

B Agents have a mobile friendly view that gives them full visibility to their transactions and collaboration with their transaction coordinator or office staff.
